

Hallam SC Sports Academy Netball (Girls)

Select Entry

The Hallam Secondary College Sports Academy: Netball (Girls) is a unique program that offers a wide range of elite industry pathways for girls in Years 10-12.

It is designed for those who are committed and talented in Netball, Sport and Recreation fields and or Physical Education. It also provides unique opportunities to complete a Vocational Education and Training qualification e.g., a trade qualification without leaving the college.

Aims

- To implement high performance conditioning and injury prevention programs for year 10, 11 and 12 students
- Implement individual long term athlete development programs and a range of short courses with a strong focus on developing skills and craft
- Develop elite skills, knowledge and understanding of Netball through an education program that utilises the latest technology, processes and systems including GPS, video analysis, fitness testing and sports science
- To develop young women and leaders on and off the court
- Allow students to choose from a range of educational pathways that contribute to the new VCE
- To learn from a range of external coaches (Including Inspire Sports Group) and strength and conditioning coaches which are complemented with Deakin University sports science interns
- Conduct junior community coaching clinics in the region.
