Year 9

Dear Parent/Guardian,

Hallam Secondary College is looking forward to working with you in 2025. As required by the Department of Education the college publishes and shares with parents and guardians all costs associated with the learning of each student. These costs have been set and endorsed by College Council.

Schools provide students with free instruction to fulfil the standard Victorian curriculum. The contributions identified in the table attached provide students with materials and services to support their ongoing learning. These contributions are voluntary; however, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. This has made a huge difference to our school and the programs we can offer.

Within our school, this support has allowed us to:

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels
- Upgrade and purchase of additional IT devices for student loans
- Refurbishment of school grounds, with particular focus on the courtyard areas outside the canteen and the front of school
- New lockers and locker bays.

Please find below Hallam Secondary College voluntary financial contributions schedule for 2025, which includes an overview of what your contributions will provide for each student.

Department of Education guidelines mandate that schools are unable to provide parents with a statement of fees. Parents/Guardians are asked to review the recommended voluntary financial contributions schedule below for an indication of contributions for your child/ren. Schools may continue to provide statements for Extra-curricular items and activities, however, not for contributions.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Simon Sherlock
